My dear Old friend
Wm Lloyd Garrison

¹²² My friend Mr.
Martineau tells me he has written
asking you to visit Birmingham.
I too shall be very glad if it
should be in your power to do so
remembering my having the pleasure
of entertaining you here 30 years
ago and just a little opportu-
nity of intercourse 10 years ago
Do try to come. You will find
a warm welcome & we are more
glad to see you than

Yours affectionately
